

## License Applications and Exports

### The Fourth USML to CCL Regulatory Change Satellites

June 27, 2014 to March 31, 2018

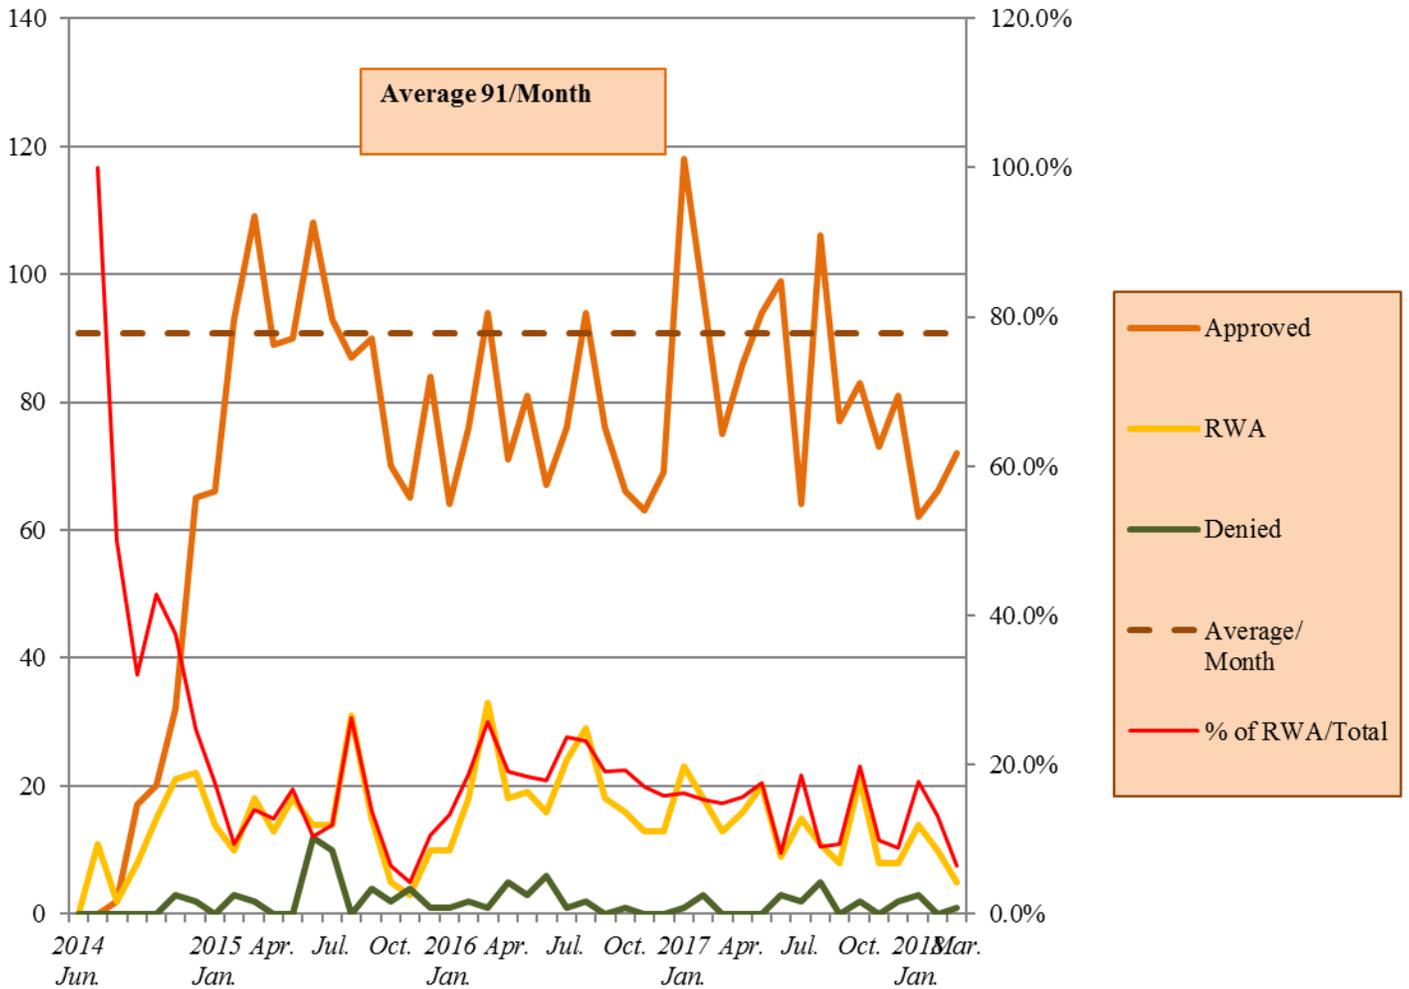

The license applications for items in category XV- Satellites of the United States Munitions List (USML) have declined 85.1% from an average of 361 to 54 per month through March 31, 2018. The average monthly drop of 307 in license applications is the result of certain items transitioning to the Commerce Control List (CCL).
